

# Transitional Kindergarten Supply List

In TK it is important for all students to come prepared to school with some basic items that will ensure their day goes smoothly. Here are a few items that I ask that you pack for your child in their backpacks:

- Backpack, water bottle, lunch box and change of clothes in a zip-lock baggie (please write your child's name on all of their belongings- it is inevitable that jackets and other items will get misplaced by children and having names printed on belongings will make finding those items easier)
- 1" Binder with clear sleeve in front for end of year culmination binder ☺

In our class we will have table caddies to hold all of the children's supplies. Each group will share the supplies provided in the caddies. If you can contribute to our shared classroom supplies please sign-up on the "Sign-up Genius" link below (copy/paste into your browser) so you can choose an item or two off the list (this will help eliminate the over purchasing of products).

- Set of 8 markers -Crayola
- White board dry erase markers
- Anti-Bacterial hand sanitizer
- Boxes of Kleenex
- Sandwich, Gallon, or Jumbo size Zip-lock bags
- Bottled water (any size, but small is best)
- Glue Sticks
- Play dough
- Sheet protectors
- Paper plates
- Paper bowls
- Glitter
- Hot Glue Sticks (for small gun)
- Sharpies
- Pipe cleaners
- Large Popsicle sticks (1 inch thick)

If you can donate any of the above-mentioned items it is very appreciated. If it is not in the budget then please do not stress.

With many thanks,

Miss Holdermann
