West Sac All Charities Raffle

This is one of the biggest fundraiser for our school starting August 13th thru October 15th. Get your scholars involved in selling the tickets for \$10 each. Our school gets \$9 back for every ticket sold. Our goal this year is to have every scholar sell 10 tickets (1 booklet). The most tickets sold per class, will get a class party and more. Please contact your class Room Parent to check out a booklet.

I moved to California when I was six and have lived here ever since. I grew up in the Elverta/Rio Linda area. I graduated from Rio Linda high school and and received my B.S. from CSUS. I am the 2nd oldest of 4 children. I am a wife and a mother of 4 boys. I have experience in teaching 2nd and 1st grade.

What is your dream vacation?

My dream vacation would be to go to all of the pacific islands. I would love to learn about the culture and enjoy the beautiful beaches there.

What can you cook to perfection? Are you willing to share the recipe?

I'm not much of a cook, but I love to bake. One of my favorite thing to bake is cinnamon rolls. My go to cinnamon roll recipe can be found at recipes.com, "Clone of a Cinnabon".

What is one of your hidden talents?

Volleyball. I was on my High School volleyball team all 4 years.

Hello! Ms. Shill here. (: I am so excited to be going into my second year, here at Lighthouse!

I was born and raised in West Sacramento, where I went to elementary school, middle school and high school. I stayed close for college, attending CSU Sacramento, where I received my Bachelor's Degree in Liberal Studies with a minor in English. I continued on to acquire my Teaching Credential through CSUS, in the Spring of 2017. Throughout my journey of becoming a teacher, I was lucky enough to be introduced to River Charter Schools and had many opportunities to gain tons of experience within both DECS and Lighthouse. These experiences have definitely played a role in shaping who I am as a teacher.

Outside of teaching, I enjoy spending my time at sporting events (either playing in them myself, watching my students, or going to a game), or being outdoors, especially relaxing at the beach with a book or gaining new experiences through traveling. When I'm not on the go, I love to spend time with my friends, family and "furbaby", Hank.

I have met so many awesome kids and families at Lighthouse just in the last couple of years and I am excited to keep that going this year and really get to know more of you! (:

If you won the lottery and decided to give up teaching, what would you do instead?
This one is easy! If I won the lottery and decided to give up teaching, I would spend my days traveling the world. I've only been able to explore parts of the US, Mexico and South America. I would love to be able to explore states in the US and more countries around the world and learn all about the different cultures and daily customs. Traveling is my favorite thing to do, outside of teaching, and I would spend every last penny doing just that.

What are your must-have smartphone apps?
