

TK Classroom Supplies

Welcome to TK at Lighthouse Charter School! In our TK class there are only a few things that I ask each child to bring individually. There are of course, classroom items that I request at the beginning of the year to help stock our room, but I don't need 26 of each item (one per child). Below is a link to a Sign-up Genius page where you will find a supply list for our class. If you can sign up for any items on the list before school starts and bring them to the Meet and Greet on August 15th, I will be incredibly thankful!

Please make sure that your child has the following items for the first day of school:

1. Backpack with NAME on it
2. Refillable water bottle with NAME on it (something easy to open and *close*)
3. Lunchbox with NAME on it (if you are choosing to use the school lunch program, still pack a snack in a bag/lunchbox for your child daily)
4. Spare clothes in your child's backpack

**Please write your child's name on their belongings: sweaters, jackets, hats, backpacks, water bottles, etc. Items always get misplaced and put in lost and found, and having a name on it will make it so much easier to find its way back to you 😊*

All the items on the **Sign-up Genius** page are for shared classroom use and will be used throughout the year.

There is one more thing you can do to prepare yourself for the school year, and that is to sign up on **Bloomz**! This is the parent-teacher app that I use to communicate on a daily basis about what is happening in our classroom and share lots of info/photos. It is a FREE download for iPhones/Androids and all you need to do is create username for yourself and use the access code below to link to our class account:

That's all the updates for now! I'm looking forward to meeting all of you and your children soon!

Kindly,
Ms. Holdermann
